

Council for Christian  
Colleges & Universities

■ Fall 2004 Profile

■ [www.cccu.org](http://www.cccu.org)

## The Council

The Council for Christian Colleges & Universities (CCCU) is an international association of intentionally Christian colleges and universities. Founded in 1976 with 38 member campuses, the Council has grown to 174 member and affiliate institutions in 24 countries. The CCCU is a tax-exempt 501(c)(3) non-profit organization headquartered in Washington, D.C.

## CCCU Mission

[www.cccu.org/mission](http://www.cccu.org/mission)

To advance the cause of Christ-centered higher education and to help our institutions transform lives by faithfully relating scholarship and service to biblical truth.

## Our Place in U.S. Higher Education

According to the U.S. Department of Education, there are about 4,200 degree-granting institutions of higher education in the U.S. alone. Approximately 1,600 of those are private, four-year non-profit campuses, and about 900 of these colleges and universities describe themselves as "religiously-affiliated." However, only 105 intentionally Christ-centered institutions in the U.S. and Canada have qualified for membership in the CCCU.
