Sponsored Email Blasts

Sponsored email blasts are an excellent way to target a specific peer group with your message.

How it Works

You provide the CCCU with your content (text, logos, artwork, speaker bio, speaker photo, URL link and/or any registration link needed). The CCCU assembles a draft email blast and sends back to you for your approval. Once finalized, the email blast is scheduled for sending to the selected peer group(s).

Peer Groups

- Chief Academic Officers/Provosts
- Chief Enrollment Officers/Admissions Officers
- Campus Ministry Directors/Spiritual Life Directors
- Student Development Officers/Student Affairs/
Student Life Administrators
- Chief Advancement Officers/Development Officers
- Chief Financial Officers/Business Officers
- Legal Counsel
- HR Directors
- Chief Communications/PR/Marketing Officers
- Alumni Directors
- Graduate Program Counselors
- Chief Technology Officers/Information Officers
- Financial Aid Administrators
- Diversity Officers

Please note that CCCU campus presidents are not an available contact group for sponsored email blasts.

Rates

\$1,500 per peer group for each email

Details & Specifications

- Artwork (such as banner, bio photos, etc.) should be no larger than 564px by 70px due to the limitations/compression done by MailChimp, our distribution service.
- Depending on the topic, product or service, text length should be no more than 150 words or so for best readability.
- In general, our recommendation is to have an image and some personable text of about 150 words (max) or so in length. If advertising something like a book and just want to do a quick description of 50 or so words and an image, that works! Please note if there's just an image with text on it, no text will load for those whose emails which do not open with images right away. Something that feels more like a tailored letter is a little more likely to get more visibility (and hopefully some clicks!).
- If you would like to include items such as a logo, tagline, contact info, etc. at the end of the mailing, please provide the needed items/hi res images and URL links.

Deadlines

Sponsored email blasts are sent the 2nd and 4th Wednesdays of each month. Content is due a minimum of five business days prior to the send date. **Please note that sponsored email blasts are not available for the months of January and February 2026.** Send content as attachments via e-mail to sponsorship@cccu.org.

CCCU Hosted Webinars

Webinars are a great way to get in front of key campus influencers with direct messaging and the opportunity to showcase your offerings 'face to face'.

How it Works

You will have a pre-set amount of time at the beginning of a CCCU-hosted webinar to share about your product(s), which could include a PowerPoint presentation, a brief video, or other helpful content. Sponsors will have their name and logo co-branded with the CCCU on webinar marketing (i.e. registration emails, web pages, etc.) and have access to the list of attendees post webinar.

Please note: sponsors will not be allowed to attend the entirety of webinars due to potential confidential discussions that will take place.

Rates

\$1,000 per webinar

Details & Specifications

- PowerPoint presentations should be 6 pages max or less.
- Videos to be shared are ideally to be kept between 30 seconds and 1 minute in length.
- Logos for emails and registration pages should be no larger than 564px by 70px due to the limitations/compression settings.

Deadlines

Please send copies of presentations, videos, etc. at least **TWO business days prior** to the scheduled webinar so that the assets can be prepared to be shared and viewable during the webinar. Send content as attachments via e-mail to **sponsorship@cccu.org**.
